PROFILE

I am a recent Art Marketing graduate of the University of North Georgia. I long to use the knowledge, skills, and wisdom I've gained to become a valuable asset to a creative team. My focus was on digital arts and I have become skilled with the Adobe Creative Suite as well as Blender for all 3-D oriented work. I'm eager to learn new things as well as have the initiative and drive to grow professionally.

EXPERIENCE

CAVENDER CREEK VINEYARDS
Wine Stewardess
Gained leadership experience
Trained all the new staff
